This Index shows the wide variety of interests covered in connection with mining and its allied industries and well illustrates the wide appeal of *The Mining Journal*.

PLEASE FILE THIS INDEX

- Australian manganese and chromite exports to U.S. urged ... F 71  
Philippine mineral production ... A 6  
Metals, Minerals and Alloys MT 89, 111, 128, 236, 262, 277, 472, 559  
South African monthly mineral output ... F 90, 113, 518  
Cyprus monthly mineral exports ... F 90, 113, 462  
Chromite discovered in Albania ... F 96  
Southern Rhodesia monthly mineral production ... F 149, 618  
South African platinum metals ... A 160  
Norway's mineral trade ... C 185  
Mining in Sierra Leone ... N 207  
Mining in Turkey in 1950 ... A 339  
Chromite discovered in West Pakistan ... F 397  
Sediment and portage ... A 439  
Southern Rhodesian mining ... N 462  
Cyprian mining developments ... N 462  
Chromite deposits in Southern Rhodesia ... N 462  
India's mineral deposits to be explored ... F 508  
Defense metal conservation and substitution ... A 520  
Brazilian tin and chromite ... C 584
- Chrysotile**  
Exploration and development in Swaziland ... A 666
- Clay**  
Norway's mineral trade ... C 185
- Coal—Africa**  
Geological exploration in Nigeria N 6  
South Africa ... C 29  
South African coal mine returns MR 48  
116, 294, 321, 453, 597  
Work started on South African oil from coal plants ... F 71  
Southern Rhodesian monthly mineral output ... F 90, 113  
Coal from Lubimbi ... F 96  
Southern Rhodesia monthly mineral output ... F 113, 149, 618  
Tanganyika coal discovery ... F 173  
Coal price raised in South Africa P 522  
Development of Tanganyika's coal deposits ... A 407  
Southern Rhodesia mining ... A 407  
Tanganyika coal and iron ore deposits ... P 448  
Conference on Tanganyika's basic industries ... N 490  
Buchananland—the development of its mineral resources ... A 643
- Coal—The Americas**  
Canadian geological survey programme ... N 6  
Mining in British Columbia in 1950 ... N 156  
U.S. coal miners safety records improve ... P 219  
Transporting coal by pipeline ... F 261  
Controlling fires in inactive U.S. coal deposits ... P 261  
U.S. coal allocation plan ... P 348  
E.R.C. proposes to bring U.S. coal to Europe ... F 421  
Chile's mineral industry in 1950 ... P 517  
Nova Scotia coal project ... P 573  
Management practices in U.S. coal industry ... A 665
- Coal—Asia**  
Indian oil-fractionating project ... A 10  
S.R.C. installs first coal preparation plant in India ... P 148  
Japan switches coal imports ... P 295  
India's output of coal and important minerals, 1950 ... P 318  
Japanese exports for India ... P 322  
Coal rationing introduced in Japan ... P 373  
Indian industrial organization bill ... P 421  
India's coal machinery ... P 508  
Japanese-Russian coal negotiations ... P 627
- Coal—Australia**  
Australia buys American tractors ... P 173  
Joint Australian-German company to mine coal in N.S.W. ... P 421  
N.S.W. to establish new coal mining district to keep coal industry ... P 478  
More equipment for Australian coal mines ... P 508  
Australia ... P 609  
New South Australian opencast coal deposit ... P 527  
Queensland mines in 1950 ... N 665  
Australia experiments to recover more coal ... A 669
- Coal—Europe**  
Norwegian metal statistics, 1950 ... A 6  
An E.C.A. progress report ... R 13  
New Dutch coal-bag filling machines ... T 35
- Mechanization of coal loading in Poland ... F 43  
Rehabilitation of Italian sulphur A coal mine ... F 74  
Norway's mineral trade ... C 185  
Large West German coal seam ... C 219  
French coal supplies assured ... F 295  
Hungary to have large new iron works ... H 406  
Highest coal output in the Netherlands ... A 410  
Progress in coal-cast mining in the Soviet Union ... F 421  
Coal mining mechanisation in Western Germany ... N 462  
New coal deposits discovered in Serbia ... F 478  
Spitsbergen coal company declares 1st division ... F 573  
French coal output ... F 573  
Coal mining in Poland ... N 584  
Shortage of coal forces Sweden to increase peat production ... P 627  
Belgian coal gasification experiments ... T 544
- Coal—Great Britain**  
Continuous mining at Donisthorpe Colliery ... A 30  
South Wales anthracite project to cost £7,500,000 ... N 57  
Materials for underground mining ... A 60  
Practical coal-mining for miners Bestwood Colliery reorganisation ... A 106  
The Colliery Year Book & Coal Trade Directory 1951 ... R 140  
Mining and quarrying in Northern Ireland ... P 197  
Reports of R.M. Inspectorate of Mines - 1950 ... A 286  
October 25—a vital election ... N 381  
The right road ... N 434  
Far Eastern inland water transport to import British coal ... P 478  
We must get the coal ... N 507  
Italian miners in the U.K. ... P 627  
Pneumococci among British coalminers ... N 638  
The utilisation of underground water supplies ... T 644  
(See also weekly report under "Metals, Minerals and Alloys", under National Coal Board and under Coal Technology).
- Coal—Various**  
World coal, steel & petroleum production statistics ... P 422
- Cobalt**  
Financing the development of the Rhodesias ... N 27  
Northern Rhodesia monthly mineral production ... F 90, 113, 149  
Belgian Congo imports ... C 104  
Belgian Congo strategic output ... C 254  
Metals, Minerals and Alloys MT 289, 317, 368, 472, 527, 559, 617  
French Morocco's principal mineral exports, Jan-June 1951 ... P 318  
Greece ... C 435  
Defense metal conservation and substitution ... A 520
- Coke**  
The Wartberg Colliery coke preparation plant ... A 312  
Britain to have new large coking plant ... P 348  
China from lignite ... T 441  
Belgian coke production record ... P 628
- Columbium**  
Geological exploration in Nigeria N 6  
Metals, Minerals and Alloys MT 65  
Searches ... A 436  
Defense metal conservation and substitution ... A 520
- Copper**  
U.S. copper price policy criticises ... N 6  
Norwegian metal statistics 1950 ... A 7  
Financing the development of the Rhodesias ... N 27  
Lead-lined electrolytic cells in new U.S. copper refinery ... F 35  
Are world's oceans "liquid mines"? N 58  
U.S. new copper smelter ... P 71  
Copper resources of Canada ... N 81  
Philippine mineral production ... A 84  
Northern Rhodesia monthly mineral production figures ... F 90, 113, 149  
Southern Rhodesia monthly mineral production figures ... F 113, 618  
Cyprus monthly mineral exports ... F 113, 618  
South African mineral output figures ... P 113, 618  
Dividend limitation and restriction of output ... J 147  
Australia's output of major metals in 1950 ... P 148
